Offered Securities issued to the Warehousing Vehicle shall be transferred to the Investor and the Fund Manager to reduce their Capital Contribution to zero and the Warehousing Vehicle will be wound up.

8. The parties agree that they will use reasonable endeavours to sell or place Offered Securities with third party investors and the principal amount of Investor’s Holding shall be reduced by the principal amount of such Offered Securities sold or placed (whether by a Firm Entity or the Fund Manager) to such third party investors (“**Third Party Placement**”).
